The Institute of Credit Administration

Upon successful completion of any of the undermentioned credit management learning programmes that you may have chosen, you will be admitted subject to payment of the prescribed fees, into the prestigious professional membership of the highly regarded **Institute of Credit Administration (ICA)**, Nigeria's only national body for credit management which now enjoys the status of world-class institute, next to USA and UK for credit management.

ICA qualifications which are **Fellow (FICA)**, **Member (MICA)** and **Associate (AICA)** are recognised nationally and internationally in credit industry for employment and further studies in credit management and other fields intermingled with credit management.

The combination of ICA and LPCMC professional qualifications in credit management distinctively separates the holder from the crowd and is among the preferred persons for credit management work engagement anywhere in the world.

Also, the programme when completed is convertible to earn specialist degree certification in credit management which is awarded by a university in London in a collaborative agreement between LPCMC and the university. This is a huge opportunity for HND holders as well as those holding professional qualifications but are looking to earn academic degree certification to balance.

Where To Go For Professional Qualification In Credit Management?

If you are doing credit work in your organization or interested in credit management,

there is that which is the signal mark of professional intelligence,

there is that which is the result of a relentless effort at establishing distinction,

there is that which keeps one ahead of others and distinguishes him/her from the crowd.

...It is gaining a top notch professional qualification in credit management with global influence.

Enrol now for any of the undermentioned courses on work-and-learn delivery method: Course durations are 24, 18, & 16 months.
