We are happy to inform you, that we deem the **PSCFM's** level of compliance with the terms and conditions operating in the Affiliation Agreement between **London Postgraduate Credit Management College (LPCMC)** and the **International University of Panama (IUP)** to be in good standing.

PSCFM is an independent affiliate of **LPCMC in the United Kingdom** who implements **IUP's programmes in Nigeria**, on behalf of the **LPCMC** and is required to meet the **IUP's** standards of academic rigour and depth in the delivery of all her programmes.

The **PSCFM** has been representing **LPCMC in Nigeria** in the collaborative programmes with **IUP** for more than 5 years. During all these years, We can confirm that **PSCFM** has never bridged the terms of this collaborative arrangement.

TO WHOM IT MAY CONCERN

Today I write to clarify some concerns raised about our University.

- 1) International University of Panama is a private non-government funded higher Institution established by Law of the Republic of Panama.
- 2) We run our executive programs through collaborative affiliates to reach out to International Students who are mainly business leaders and senior level executives.
- 3) As a supervised university by the Government, we are all time puts on the spot to keep up to date and comply with higher international education regulations, which changes from time to time. For most universities, sometime delays or defaults are experienced in complying with such regulations, but compliance is eventually unavoidable.
- 4) All our Affiliate Partners, and their representatives in countries where we have students, do not issue any of our diplomas or degree certificates. All diplomas or degree certificates are issued from the University here in Panama, and sent by courier directly to the representative of our accredited affiliate in the country where our student(s) is residing.
- 5) Our University is among the year 2015 edition of the listed recognized universities published by the **UNESCO Handbook of Recognized and Accredited Universities and Higher Education Institutions**. Our university is listed on page 1258 of the handbook which can be seen at the Ministry of Education of the UNESCO member countries.
- 6) Thank you.
